

**2007 HDP O.I.E. Conference**

On 15 and 16 November, HDP organised its annual O.I.E. Conference for 70 supervisory and management staff from the operations, information technology and engineering departments. The conference was organised with the aim of facilitating cross-department synergies and encouraging future collaborations.

*Alfred Leung (second row, fifth from left), Director and General Manager of HDP, and Gong Can-yao (second row, fourth from left), Jiangmen International Container Terminals (JMCT) Director jointly kicked off the conference*
