

XICT Welcomed New European Service from Grand Alliance

On 30 April, the M.V. Bunga Pelangi Dua berthed at XICT, marking the commencement of EU5, a new European service operated by the Grand Alliance. The new service, which replaces the former EU3 service, offers faster transit time and higher space allocation to XICT to better handle the fast-growing trade between Southeast China and Europe.

The Grand Alliance has deployed a total of eight 4,800- to 6,200-TEU vessels to the new route, which calls on XICT every Wednesday on the following rotation: Shanghai, Ningbo, Xiamen, Singapore, Amsterdam, Hamburg and Southampton.
