

### **ZICT(J) Organised a Beach Cleanup Day**

On 10 May, ZICT(J) organised a beach cleanup day with the Zhuhai Welfare Home for Orphans. Over 40 ZICT(J) staff members and children from the orphanage participated in the activity, which was designed to enhance the children's appreciation of community service and environmental protection. After the beach cleanup, ZICT(J) employees presented gifts to the children as a token of encouragement.
