

**XICT Welcomed New Red Sea Service by COSCO**

**On 28 March**, XICT received the first call of its 13th weekly service as the MV Stadt Koln – the first vessel of COSCO's Red Sea Direct Service (FRX) – berthed at the port.

COSCO has extended FRX to Xiamen to take advantage of increasing trade between Southeast China, the Middle East and North Africa. Seven 3,400-TEU container vessels compose the weekly service. These ships follow a port rotation of Xiamen, Yantian, Singapore, Aden, Jeddah, Aquba, Sokhna, Singapore, Tianjin, Qingdao, Shanghai, Ningbo and Xiamen.
