## **ZICT(G) Welcomes a Delegation of Local Leather and Garment Manufacturers**

**[21 August 2009 – Hong Kong]** – On 20 August, Zhuhai International Container Terminals (Gaolan) (ZICT(G)) hosted a terminal visit and Q&A forum for over a dozen representatives of Zhuhai's leading leather and garment enterprises. The leather and garment industry is one Zhuhai's top sectors.

The visit was one of a series of events designed to promote the terminal to local manufacturers in Zhongshan, Jiangmen, Foshan and other areas of ZICT(G)'s hinterland. Topics of discussion included an introduction of ZICT(G)'s facilities and services as well as customs clearance and declaration procedures.

ZICT(G)'s two 50,000-tonne container berths are the only dedicated and natural deep-water container berths in the Western Pearl River Delta (PRD). The capabilities of these berths allow ZICT(G) to provide fast and convenient service to shippers located in Zhuhai, the Western PRD and nearby hinterland areas.
